

OUTDOOR CONFESSIONS

MADONNA DEL CASTELLO

Saturdays – Noon – 1 PM.

Directions: Enter the Westmoreland Ave entrance. If there is a line, park in one of the available spaces to wait. Remain in your car with the windows up to help maintain the privacy of the person confessing. The priest will be located inside the window that is marked with orange cones. When it is your turn, there are two options from here. A solo driver with no passengers can remain in their car and pull up beside the cones. Option two is to park the car and walk up toward the window but standing BEHIND the cones. Please depart via the Braddock Ave exit.

ST. MAURICE – Mondays – 7 PM – 8 PM.

Directions: Park in the main church parking lot with your windows up to help maintain the privacy of the person confessing. The priest will be stationed under the front overhang of the main entrance. When your turn comes you will have two options. Exit your car and follow the signs, cones, and tape to a standing or sitting place under the overhang. Option two for a solo driver in a car would be to turn around (the lower school parking lot can be used if needed) and drive underneath the overhang with the driver's side door closest to the church (this is the opposite direction from how people are normally dropped off).

ST. JOHN FISHER – Saturdays – Noon – 1 PM.

Directions: Enter on the right hand side of the parking lot as normal and then go left to park under the overhang outside the front entrance to the Church. A solo driver could open your passenger window and the priest will be able to hear your confession.
